CERTIFICATE

Official control programme for foot and mouth disease of India

This is to certify that following a recommendation of the OIE Scientific Commission for Animal Diseases, the World Assembly of Delegates of the OIE approved on 26 May 2015 that India be recognised as having an official control programme for foot and mouth disease endorsed by the OIE in accordance with the provisions of the OIE *Terrestrial Animal Health Code* (2014).

This recognition is based on the documentation submitted to the OIE by the Delegate of India. The Delegate of India to the OIE has the obligation to submit annual updates on the progress in the implementation of the official control programme and information on significant changes in accordance with the provisions of the OIE *Terrestrial Animal Health Code*.
